CIRCUS WORKSHOPS

Circus Oz Victorian regional circus program

For more than 35 years, Circus Oz has been putting together shows for adults and children that include stunts, humour, live music and an all-human ensemble.

RACV has partnered with Circus Oz to deliver a two-year workshop program.

The partnership gives RACV members and the public the opportunity to experience the country's best circus performers.

Sixty-four workshops will be delivered at eight regional Victorian venues during the two-year partnership.

Workshops will be free and members in the local community will have access to discounted tickets for the main production.

In August there will be workshops in Sale, Dandenong, South Morang and Shepparton.

Program dates are:

SAVE \$10 ON NEW WALKING TOUR

Explore Melbourne's lanes and eateries

If it's Tuesday, it must be time for afternoon tea.

Monique Bayer, owner of Walk Melbourne Tours and recipient of last year's RACV Tourism Award for Youth Achievement, is introducing Walk, Talk & Tea from 2-3.30pm on Tuesday afternoons, beginning 4 August.

The walk begins at RACV Melbourne Shop, 438 Little Collins St, and finishes with Devonshire Tea in the lobby of one of Melbourne's most iconic Art Deco buildings

The route will weave its way through Melbourne's beloved laneways and arcades and will include commentary on the city's historic Art Deco, Gothic and Victorian buildings.

If dumplings are more your taste than afternoon tea, try Walk Melbourne Tours' Dumpling Discovery Walk. Visit four venues over two and a half hours and taste four different styles of dumplings, all handmade on site.

RACV members save \$10 on full price for both these walks.
